

Sodium Nifurstyrenate Standard

Product Information

Outline

A standard for veterinary drug analysis. This product is for research use only. Do not administer it to human.

Catalog Number

CSVD0139

Size 200mg

Use for

HPLC

CAS

54992-23-3

Molecular Formula

C₁₃H₈NO₅Na

Molecular Weight

281.20

Appearance

Yellow - brown, crystalline powder

Purity

98.0+% (HPLC)

Compound

Sodium Nifurstyrenate
