

## HiLoad Superdex 75 pg columns

For research/industrial use only

---

### 1. Identification of the Substance/preparation and of the company/undertaking

1.1 Identification of the Product: Hi-310P

1.2 Manufacture/Supplier Identification:

Creative BioMart

45-1 Ramsey Road, Shirley, NY 11967, USA

Tel: 1-631-559-9269 1-516-512-3133

Fax: 1-631-938-8127

E-mail: [info@creative-biomart.com](mailto:info@creative-biomart.com)

Website: <https://chromatography.creativebiomart.net>

1.3 Relevant identified uses of the substance or mixture and uses advised against Identified uses: For research/industrial use only, not for human or veterinary use.

1.4 Emergency telephone number

Emergency Phone #:

+1-800-424-9300 (CHEMTREC Within USA and Canada)

+1-703-527-3887 (CHEMTREC Outside USA and Canada)

### 2. Hazards Identification

Hazard category                      Flammable liquid

Warning Words                        Warning

Hazard statement                    Flammable liquid and vapor

Precaution                            Keep away from heat sources/sparks/open flames/hot surfaces. No Smoking.  
Keep the container closed.

Container and loading equipment grounding/equipotential connection.

Use explosion-proof electrical/ventilation/lighting equipment.

Only use tools that do not generate sparks.

Take measures to prevent electrostatic discharge.

Wear protective gloves/protective clothing/eye protection/protective mask.

Accident response                    If contaminated with skin (or hair): Immediately remove/take off all contaminated clothing. Clean with water

Wash the skin/take a shower.

Fire: Use dry sand, dry powder or alcohol resistant foam to extinguish the fire.

## HiLoad Superdex 75 pg columns

For research/industrial use only

---

Storage                                      In a well-ventilated area. Maintain low temperature.  
Disposal                                      Send the contents/containers to an approved waste treatment plant for disposal.

### 3. Composition/ Information on Ingredients

Matrix: Cross-linked agarose, spherical

Formulation:

### 4. First Aid Measures

- 4.1 Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.
- 4.2 Ingestion: Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an Unconscious person. If large quantities of this material are swallowed, call a physician immediately. Loosen tight clothing such as a collar, tie, belt or waistband.
- 4.3 Skin contact: In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention.
- 4.4 Eye contact: Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.
- 4.5 Aggravating conditions: Repeated or prolonged exposure is not known to aggravated medical condition.

### 5. Fire Fighting Measures

- 5.1 Suitable extinguishing media  
Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.
- 5.2 Special hazards arising from the substance or mixture  
No data available
- 5.3 Fire Fighting Instructions  
Wear self-contained breathing apparatus for firefighting if necessary, and full protective gear to prevent contact with skin and eyes.

### 6. Accidental Release Measures

- 6.1 Personal precautions, protective equipment and emergency procedures  
Use personal protective equipment. Avoid breathing vapors, mist or gas. Ensure adequate ventilation. As conditions warrant, wear a NOISH approved self-contained breathing apparatus, or respirator, and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).
- 6.2 Environmental precautions

## HiLoad Superdex 75 pg columns

For research/industrial use only

---

Do not let product enter drains. Take steps to avoid release into the environment, if safe to do so.

### 6.3 Methods and materials for containment and cleaning up

Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal in accordance with local regulations.

## 7. Handling and Storage

7.1 Precautions for safe handling: This material is believed to be non-hazardous. Avoid inhalation, and contact with eyes, skin and clothing. Avoid repeated or prolonged exposure. Wear protective clothing.

7.2 Conditions for safe storage, including any incompatibilities

Keep container tightly closed. Store in accordance with information listed on the product insert.

## 8. Eye protection: Wear goggles or safety glasses.

Hand protection: Wear latex or vinyl gloves.

Respiratory protection: Required when vapors/aerosols are generated.

Ventilation: Use in well-ventilated laboratory.

Other protective equipment: Use lab coat or apron to prevent contact with eyes, skin and clothing.

## 9. Physical and Chemical Properties

9.1 Information on basic physical and chemical properties

Appearance Form: no data available

Odour: no data available

Odour Threshold: no data available

Melting point/freezing point: no data available

Initial boiling point and boiling range: no data available

Flash point: no data available

Evaporation rate: no data available

Flammability (solid, gas): no data available

Upper/lower flammability or explosive limits: no data available

Vapour pressure: no data available

Vapour density: no data available

Relative density: no data available

Water solubility: Soluble upon reconstitution

Auto-ignition temperature: no data available

## HiLoad Superdex 75 pg columns

For research/industrial use only

---

Decomposition temperature: no data available

Viscosity: no data available

Explosive properties: no data available

Oxidizing properties: no data available

### 9.2 Other safety information

no data available

## 10. Stability and Reactivity

10.1 Reactivity: no data available

10.2 Chemical stability: The product is stable under recommended storage conditions.

10.3 Conditions to avoid: Oxidized materials and acidic substances.

10.4 Incompatible materials: Open flames, sparks, static electricity, and thermal effects

10.5 Hazardous decomposition products

Other decomposition products - no data available

Hazardous decomposition products: no data available.

## 11. Toxicological Information

Quantitative data on the toxicity of this product is not available. No toxic effects are to be expected when the product is handled appropriately.

## 12. Ecological Information

12.1 Toxicity: no data available

12.2 Persistence and degradability: no data available

12.3 Bioaccumulative potential: no data available

12.4 Mobility in soil: no data available

12.5 Results of PBT and vPvB assessment: no data available

12.6 Other adverse effects: no data available

## 13. Disposal Considerations

Contact professional waste disposal companies for proposal disposal.

## 14. Transport Information

Not subject to transport regulations.

DOT (US) Not regulated.

IMDG Not regulated.

## HiLoad Superdex 75 pg columns

For research/industrial use only

---

IATA Not regulated.

### 15. Regulatory Information

The chromatographic medium does not appear in the following regulations:

European Regulation on International Inland Transport of Dangerous Goods (ADN)

European Agreement on the International Transport of Dangerous Goods by Road (ADR)

Global Harmonized System of Classification and Labelling of Chemicals (GHS)

International Maritime Dangerous Goods Transport Code (IMDG)

International Maritime Organization MARPOL 73/78 Pollution Prevention Convention

Regulations for the International Carriage of Dangerous Goods by Rail (RID)

### 16. Other Information

The information contained herein is based on the present state of our knowledge. It characterizes the product with regard to the appropriate safety precautions. It does not represent a guarantee of the properties of the product.
